Dear Tom,	58			59	
Thanks for calling the other day. I was amazed to hear that you went on a Mediterranean cruise this summer. I didn't even know that you had been on holiday!					
Hope to hear from you soon. — 60					
Best wishes

Tom's been on a cruise?! That's the first I've heard of it! He always used to suffer from terrible seasickness!					
Jane and I went to Normandy this year. I can really recommend it. You might like to take a look at this website:
